

## CENTRE FOR CAREER DEVELOPMENT

### Skill Development Training

#### Objectives

To Impact Knowledge On Two Different Skills For Every Semester To The Students .

To Provide Students An Understanding Of The Expectations Of Industry.

The Students Will Get An Industrial Exposure As They Are Trained By Well Established Industrial People.

The Students Will Be Evaluated By The External Trainers Periodically.

The Skill Development Training Fully Based On The Hands On Training.

At The End Of The Training Each Team Of Students Should Submit An Individual Projects In Terms Of Product.

### COMPUTER SCIENCE AND ENGINEERING

Semester	Name of the Skill
3	C++ Designing Tool
4	Java Programming PHP
5	.NET Programming Advanced Java Programming
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses

## CIVIL ENGINEERING

Semester	Name of the Skill
3	AUTOCAD GPS
4	REVIT Architecture Total Station
5	STAAD Pro Field Practices in Civil Engineering
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses

## ELECTRONICS AND COMMUNICATION ENGINEERING

Semester	Name of the Skill
3	PSPICE Programming Digital System Design using VHDL
4	PCB Design & Fabrication Embedded System Design
5	PLC & SCADA LABVIEW
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses

## ELECTRICAL AND ELECTRONICS ENGINEERING

Semester	Name of the Skill
3	PSPICE Programming Digital System Design using VHDL
4	PCB Design & Fabrication MAT LAB (Simulink)
5	Embedded System Design PLC/SCADA
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses

## INFORMATION TECHNOLOGY

Semester	Name of the Skill
3	C++ Designing Tool
4	Java Programming PHP
5	.NET Programming Advanced Java Programming
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses

## MECHANICAL ENGINEERING

Semester	Name of the Skill
3	LabView Solid Works
4	LabView (Advanced) Solid Works (Advanced)
5	EdgeCAM Ansys
6	Placement Training (Maths Aptitude, English aptitude, Logical Reasoning, Technical Presentation, Group Discussion, Online Test)
7	
8	Refreshment Courses
