CRITERION – V
STUDENT SUPPORT AND PROGRESSION

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Adithya Institute of Technology (AIT) strives to be a leading institution in technical education, emphasizing technical proficiency, ethical values, and professional growth to address societal needs. The college promotes holistic development through active student participation in co-curricular and extracurricular activities, including symposiums, cultural celebrations, and national events.

AIT prioritizes student leadership by involving them in administrative roles such as Department Associations, Class Committees, Sports Committees, and editorial teams. Each year, Heads of Departments (HoDs) nominate class representatives, who are selected for leadership roles through an interview process led by the Principal, HoDs, and the current Association President. These leaders, often third-year students, head initiatives like Cultural, Sports, and NSS coordination, fostering peer mentorship and collaboration.

The Student Association provides practical exposure to multimedia design, marketing, social media management, and other creative domains. Students also engage with diverse clubs, including the RISE English Club, Sky Watching Club, Photography Club, Nature Club, Dance and Music Club, and Feminist Club, to explore their interests.

Through involvement in curriculum development, event organization, and governance, students gain critical leadership experience. AIT's inclusive environment encourages collaboration, innovation, and personal growth, empowering students to excel and contribute meaningfully to society.

5.3.2 INSTITUTION FACILITATES STUDENTS REPRESENTATION AND ENGAGEMENT IN VARIOUS ADMINISTRATIVE, CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES.
